

Reviewer Policies

- Reviewers must follow the guidelines set out in the Call for Papers in conducting reviews.
- Reviewers must not accept papers for review and publication if they do not follow the guidelines outlined in the Call for Papers.
- Reviewers must be fair, honest and transparent in reviewing papers.
- Final decision on publication of a paper falls within the purview of the Editorial Committee based upon the recommendation of the reviewer.
- Reviewers are required to comply with the timelines provided for the completion of paper reviews.
- Reviewers must submit a short report, along with the completed assessment form, giving the reason(s) for the decision.
